Use the concentrated natural power of essential oils, herbal essences, Aloe vera and Ectoin for a clear, pure voice:

- **Aloe vera:** soothes inflammation
- **Star anise:** expectorant
- **Eucalyptus:** anti-inflammatory
- **Ectoin:** moistens vocal chords
- **Fennel:** anti-convulsant
- **Camomile:** heals wounds
- **Lavender:** calming
- **Mint:** refreshing
- **Sage:** germicidal
- **Thyme:** breaks up mucous

Our high quality preparation with natural essential oils nurtures the mucous membrane during stress due to dry, heated air and cigarette smoke. Singer's oil is ideal for singers and everyone who speaks a lot.
